

# CITATION POLICY

## ARTICLE 12

REALTORS® shall be honest and truthful in their real estate communications and shall present a true picture in their advertising, marketing, and other representations. REALTORS® shall ensure that their status as real estate professionals is readily apparent in their advertising, marketing, and other representations, and that the recipients of all real estate communications are, or have been, notified that those communications are from a real estate professional. (Amended 1/08)

## Ethics Citation Policy

The Neuse River Region Association of REALTORS® is committed to upholding the highest principles of our association and ensuring that our members uphold, respect, and adhere to the REALTOR® Code of Ethics.

## How it Works

The Citation Policy is easy to use. If you find an Article 12 violation, as outlined in the policy, submit Form #E-1 - Ethics Complaint, attach documentation, sign, and submit.

Once the complaint and corresponding documentation is reviewed, the Citation Committee will determine if the complaint fits the Citation Policy. If all information received appears true at its face value, the Citation Committee will issue a citation.

The Respondent will have 20 days to either accept the citation or request a hearing. If accepted and fines paid, the resolution shall be deemed final and not subject to further review. Case Closed!

If the Respondent chooses not to accept, they may request a hearing, that process will be conducted in the manner outlined in the National Association of REALTORS Code of Ethics Manual.

All complaints are anonymous unless the Respondent requests a hearing. At that time, if the complainant wants to continue to be anonymous, the Grievance Committee will become the complainant.
